Senior Associate

Qualifications:

- BSc. Construction Engineering- The American University in Cairo AUC – 2012 - Construction Management & Technology
- LLM candidate- Construction Law and Arbitration- Robert Gordon University

Professional Training:

- Primavera Project Management Advanced Level – The American University in Cairo.

Profile Summary:

Ahmed is a long-serving team member of Al Mansoury InShield since 2013. Ahmed possesses extensive construction experience ranging from construction planning, contracts management and claims preparation to dispute resolution and arbitration. Throughout his involvement with Al Mansoury-InShield, Ahmed has successfully completed several tasks in different projects in Egypt and GCC including high-rise towers, oil and gas, and mixed-use projects.

Ahmed's experience, backed up with technical and academic backgrounds, provided him with an analytical perspective of a Project's technical and contractual key issues, as well as allowed him to foresee potential challenges and prepare mitigation plans and strategies.

Ahmed holds a bachelor's degree in Construction Engineering and is an LLM candidate in construction law and arbitration. Ahmed is also a member of the Chartered Institute of Arbitrators.
